The Loans are limited and scaled down according to the level of support required. Applicants should, therefore, indicate in their application the level of the loan required. However, the Higher Education Loans and Scholarships Board (HELSB) reserves the right to determine the actual level of the loan. Loans are awarded according to HELSB's financial capacity and, therefore, admission into the University does not necessarily guarantee the applicant a GRZ student loan.

 The student loan is not transferable from one University to another. Students wishing to apply for the loan should, therefore, be clear in their applications.
