

REPUBLIC OF INDONESIA

KNB Scholarships

NOTICE TO THE PUBLIC

The KNB Scholarships for the Year 2025/2026 offer a valuable opportunity for Zambian nationals to pursue higher education in Indonesia. The scholarships, provided by the Republic of Indonesia's Ministry of Higher Education, Science, and Technology, are available for Bachelor, Master's, and Doctoral degree programs across 34 prestigious universities in Indonesia.

Key points for applicants:

- **Available Programs:** A variety of degree programs are available, providing a wide range of options for prospective students.
- **Application Process:** Applications must be submitted online, with applicants required to review the available programs and follow the specified application procedure on the official website <http://knb.kemdiktisaintek.go.id>
- **Deadline:** The application deadline is **21st March 2025** (local time), so prospective applicants should ensure they submit their applications well in advance.

For any queries, applicants are encouraged to contact the Indonesian Embassy in Harare at harare.kbri@kemlu.go.

This scholarship program presents a significant opportunity for Zambian students to gain global education experience and broaden their academic horizons in Indonesia, a country known for its rich cultural and educational offerings.
